

Could you help make a difference to the life chances of young people...

...and develop your own professional skills? By volunteering, you can do both.

Wellspring is a successful and growing Multi-Academy Trust - a charitable, values-driven organisation which is ethically driven, committed to doing what is best for children and young people, schools and communities and improving outcomes and life chances for all our pupils.

Good governance is a key element of our success.

The Board of the Trust has four sub-committees and we currently have a vacancy on the Trust's Audit Committee. This committee meets 3/4 times each academic year (usually at our Support Centre in Barnsley) and is delegated significant responsibility by the Board.

We also require school governors in a number of our schools across Yorkshire and the Humber. School governors have an extremely rewarding and proactive role. Governors have the opportunity to learn more about life in a school and to help drive social inclusion, cohesion and mobility.

We'd love to hear from professionals who are keen to be part of our journey, bringing their skills and experience and gaining a great deal of satisfaction in return.
